

# A WHOLE NEW WORLD ACADEMY

## MAGIC SCHOOL BUS SUMMER ADVENTURE 2023

Each week your child will take a trip on the Magic School Bus to discover new adventures! We designed a curriculum that incorporates math, science, discovery, language arts, food, sensory integration and creative arts! Your child will participate in a developmentally appropriate and balanced schedule that will allow them to be creative and challenged while having fun!

WEEK	DATE	DESTINATION	THEME
1	6/26-6/30	Lost in Space	Planets, Stars and Aliens, Oh my! What child isn't intrigued by the wonders of the universe? Join us as we blast off to explore the solar system, build a space ship, learn to moon walk, and name our stars. Get ready to meet Buzz Light Year and have edible moon rocks!
2	7/5-7/7	Backyard	"A Camping We Will Go" Pitch your tent, grab your fishing pole, and join us by the campfire. We will explore nature at the park, do some gardening, and hike around Steven's campus. We will wear Red, White & Blue as we enjoy the fireworks and marshmallows treats. And please don't forget your binoculars!
3	7/10-7/14	Hollywood	Lights, Camera and Action. We are rolling out the Red Carpet and exploring our favorite Disney movies with crafts, songs, and games. We will have a talent show and a best costume contest. The week will end with an Oscar party.
4	7/17-7/21	Paris	We are going to the summer Olympic in Paris! We will compete in track and field, ring toss, water balloon contest, wacky sport events, and gymnastic classes. We will also take the time to tour Paris and learn to speak French, participate in the Tour de France, eat crepes and definitely visit the Eiffel Tower.
5	7/24-7/28	Hawaii	Grab your grass skirt and learn how to hula dance! Wear your bathing suits as we have a wet and wild week of water adventures. We are planning a beach party and cannot wait to see you, Moana, Lilo and of course Stitch at the Luau!
6	7/31-8/4	Caribbean	Oh no! We've been shipwrecked in the Caribbean! With the help of Baby Shark, we will build a boat, sing songs, decode a pirate's map, find sea creatures, search for buried treasure, and more! We will take a virtual tour of Aquariums around the world and when we return, we will make pirate food.
7	8/7-8/11	African Safari	If your child loves animals, then hop on the bus. With the help of Simba and all of his Lion King friends we will go on an adventure exploring different animals. Just be careful, it's a jungle out there!
8	8/14-8/18	Superhero Land	Unleash your superhero! Calling all Superheroes to use your powers for good. Your child will make their unique cape, play superhero tag, learn to be their own superhero and unlock their special talents. And what does every superhero need after a long week? A pizza party
9	8/21-8/25	Hoboken Circus	It is the last week and we will celebrate with a dinosaur dig, scavenger hunt and a leap frog challenge. We will end our week with our annual family carnival which will include entertainers, a bouncy house, face painting and summer treats!
